

Karters' Korner Summer Camp

Guardian Information Package

Location

We are located at the corner of Fallowfield and Huntley Road in Stittsville. The address is:
6336 Fallowfield Road
Stittsville, On
K2S 1B8

Summer Camp Fees

Camp is \$275.00 plus tax for 5 days.

Reservations/Refunds/Payment Info

Reservations can be made with a deposit of \$50.00, per child, plus a post-dated cheque(s) or credit card number which will be charged on the first day of camp. You also have the option to pay in full at the time of registration.

Participants may withdraw from camp at any time. Refunds will only be provided for withdrawals that are requested in writing or via email 2 weeks prior to the start of that week of camp. Refunds are subject to a \$25.00 plus tax administration charge.

When is Camp Offered

This year camp is being offered July 10-14, July 24-28, August 8-11, and August 21-25 2017

Arrival and Departure

Camp hours begin at 9am and end at 5pm. Drop off and pick up will be at the front of the main building by the little cabins. There will be a sign in and out sheet for all campers. We ask that a parent or guardian sign the sheet every day, or notify the staff in writing that your child has permission to sign it his/her self. We will also need a list of names of those who are permitted to pick up your child.

Who Can Enroll

Our program is best suited for children 10-15 years of age, who are interested in learning all about the game of paintball. Paintball is suited for both male, and female participants, therefore gender does not matter. If your child has a disability it is important to discuss the details with a staff member before enrolling.

Group Size and Makeup

Our camp is a co-ed camp. We are more than happy to give anyone information on gender enrolment, if this would help your child be more comfortable. Our camp ratio is one counselor per 10 campers. We make no exception to this rule. Dependent on the size of the group, we will be doing most activities together. If the camp has a large number of registered campers, then we may split into smaller groups. In this case the counselor/camper ratio will not change.

Activities

All of our activities will be held on site. There will be several activities throughout the day, both active and non active. The activities will not be the same every day. We will be playing several different types of paintball as well as learning the theory and rules for the different games played. We expect for the children to do all of the activities that are scheduled.

Spending Money

We recommend that your children come with everything that they would need every day, but there are items that can be purchased. Ten dollars would be a sufficient amount of money to purchase any extra

items they would want from the canteen. Our canteen offers, hot dogs, drinks, chips, and a few other snack items during the season.

Food

We will be stopping all activities three times daily, to allow for your children to eat. We will be taking a minimum of two 15 minute snack breaks as well as a half hour lunch break. All children are to bring two snacks as well as lunch, except for Friday, as we will provide a pizza lunch on the last day only. We also now have a partnership with Little Caesars, should you wish to have them deliver lunch for your child during the week, please ask us for further details. Should your child show up without lunch, snacks or drinks, we will feed them from our canteen and the bill will be due upon pick up. Please remember to pack a refillable water bottle for hydration throughout the day. It is recommended that you pack healthy snacks, for the days will be filled with several energy consuming games. If there are any campers with severe allergies, we will notify all participants for that week of the allergy. We ask that if there are allergies, that your child's lunch and snack do not contain the allergens. Since our camp is outdoors, we suggest that you pack several drinks for the day, the tap water here is potable, so a reusable drink canister would be fine, but you may want to pack some extra drinks.

Lost and Found

There is a lost and found located in ticket sales. If your child has misplaced something that is unlabelled they can check for it there. If your child's information is on the item, we will return it to them during camp hours, or contact you to let you know where you can pick it up.

About our Staff

Our counselors are well trained and experienced individuals. They all have prior paintball experience and love working with kids. They are more than happy to help your children at any point. They are kind and caring individuals who look forward to camp just as much as your children do.

Health and Medical Information

We ask that you fill out the medical portion of the registration form with adequate detail. If your child is required to take daily medication or carry an epi-pen please request a medical form from our office staff at Karters' Korner, to be filled out prior to camp. Your child is required to carry his/her epi-pen on him/her at all times.

If you are sending medications to camp with your child, please label them with the camper's name and instructions for use at the top of their bag. They should be directly handed to the camp counselor each day.

What We Will Provide

We will be providing most things needed for this camp. Each camper will receive, rental equipment, uniform, paintballs for the day, tap water as well as lunch on Friday.

Contact Info

If you have any questions or concerns, please contact us by phone at 613-831-2828, via email at info@karterskorner.com, or by mail to 6336 Fallowfield Rd, Stittsville, ON K2S 1B8

If you need to contact us or your child during the camp hours please call us at 613-831-2828.

Things to Bring

Please label all items with your child's name and/or phone number.

Medication: Label clearly and hand to counselor. Your child is required to carry his/her epi-pen on him/her at all times. Please be sure that this can be done easily (i.e. small waist bag).

Sunscreen: We will be spending a better part of the day out in the sun so please send sunscreen to be reapplied throughout the day. Our staff will not supply sunscreen.

Hat: Any kind will do.

Food: Lunch, two snacks and drinks

Water Bottle: refillable water bottle

Please note, if paint should end up on you're child's clothing, it is water soluble and should come off in the wash.
